DETAILED ACTION

Allowable Subject Matter

1. Claims 6, 8, 12 and 14 are allowed.
2. The following is a statement of reasons for the indication of allowable subject matter:

The prior art of record, neither anticipates nor renders obvious the following limitations as claimed:

a) As for claim 6 the prior art of record does not teach or fairly suggests test an image input apparatus wherein the restricting member is a polarizing filter array having polarizing filters arranged one for each group of the plurality of image formation units, every two adjacent polarizing filters having mutually perpendicular polarization angles in combination with other claimed elements.

b) As for claim 8 the prior art of record does not teach or fairly suggests an image input apparatus wherein the spectroscopic members are provided one for each of the plurality of image formation units in combination with other claimed elements.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
